Private Peter Calvin Jury

Many things happen in a Battalion like ours during a year, but none has such a wide spread devastating effect as that of the death of a comrade. This sad event took place when Private Peter Jury (Judge) was killed in a car accident near Rockhampton this year. Known to his many friends as Judge, Peter was a friendly man who upheld strong beliefs and was respected for them. His generous personality and high regard for his mates lend him to be a highly regarded man. It is with sorrow we mourn the loss of a friend and comrade. To his family and friends we extend our sympathy.

Corporal Harold John Dore

In August this year our Battalion lost a comrade who was a popular and conscientious soldier. His name was Harold John Dare, a Corporal Medical Assistant attached to our unit. His illness was a shock. Harry was a man whose sense of humour and easy going attitude will be missed by all who came into contact with him. Harry was to be married in October and be posted to a Training Unit in Melbourne. He was a man who had been through several turmoils in his life, but a person who rose above them all. Harry will be missed by all ranks of our Battalion and leaves a void for those who loved him. To his family and friends go our condolences.
