

# Volleyball

Spike and hit a ball over a net, you may well say any person can do that, and everybody did at the beginning of the year for the Battalion Volleyball team. The squad consolidated during the year and various coaches provided their personal touch to the development of the team.

The continuing problem of members being away at various times disadvantaged the team although the Battalion always provided strong opposition. The venue for this years competition was the John Herbert Fitness Centre and the high standard of facilities improved the skills of many players. The 1991 competition will again be played there.

The final against 1 RAR was led by CPL 'Pup' McLean, CPL 'Harro' Harris, CPL 'Pol' Lee and LT Larkey. The team in the final won three games and each game a whitewash.

During the year the Battalion team only lost two of ten games and showed they must have been one of the strongest sports represented by the Battalion.

About 30 people played volleyball for the team this year and thanks to their support. With the same support next year 2/4 RAR should be victorious on the Volleyball Court again in 1991.
