

2/4 RAR SAY "THANK YOU" TO THOSE WHO SUPPORTED US

"Man who try to do everything himself very lonely with strong right arm".

Old Chinese Proverb.

Wherever we have been this year, be it in small groups or as part of a large exercise, there has always been someone supporting us in achieving our mission in one way or another. Some have assisted us in small ways, others in large, often spectacular ways, but all assistance has been appreciated. We take this opportunity to thank them and look forward to soldiering with them again next year.
