

CATERING PLATOON

1994 saw a steady stream of Australian Army Catering Corps personnel posted in and out of the Battalion. Posted in were SGT's Bridges, Green and Evans. LCPL Carter, PTE Tolhurst and PTE (now CPL) Lee were also added to the fold. Those that left the Platoon were SGT Harrison, CPL's Deverall and Brindley, LCPL Carter and PTE's Stewart and Brown. LCPL Bax was temporarily posted to us from 5 Aviation Regiment for the last half of the year to fill the position of Mess Supervisor in the SGT's Mess.

Throughout the year quite a few of the Battalion cooks had the opportunity to venture overseas on various exercises, these included 3 to New Zealand with Bravo Company for a month, the Caterer and 4 to Rwanda for 6 months, 3 to Singapore for 10 days and 3 to Malaya for 4 months. Apart from these, there were the normal Company, Battalion

and Brigade exercises. We also managed to get quite a few AACC personnel away on promotion courses, all that attended passed, with a special mention to SGT Knowles who was student of merit on his caterers course, and CPL Lee who achieved the same result on his Subject 4 for CPL. We also want to mention CPL Robertson who attended both Subject 1 and Subject 4 for SGT almost back to back and rated very high in both courses. (well done chaps)

With still quite a few unit commitments and the silly season upon us we prepare for the end of year functions, the next few months look very busy for Catering Platoon. With the end of a very busy, but rewarding and enjoyable year almost upon us, Catering Platoon would like to wish all the Unit members and their families a happy and safe Christmas, and a safe New Year, and look forward to working together again in 1995.
