

# SWIMMING

The Battalion Swimming Team provided the first success for 2/4 RAR in sport in 1994. The demolition job by our swimmers followed on from the very successful Battalion Swimming Carnival on 11 Feb 94 which was decided on the result of the final relays.

In the Battalion Carnival, A Company reigned supreme followed by Support Company, the ill named "Sharkies", C Company, Administration Company and D Company, proving that "Everywhere" doesn't mean the pool.

Under the inspirational coaching of Tom "Lawrie

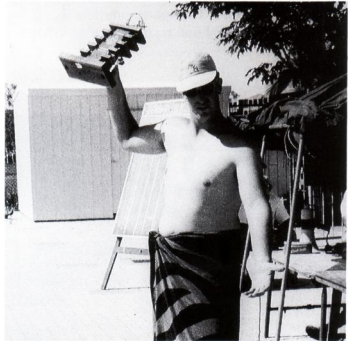

Lawrence" Biedermann, the Battalion Swim Team beefed up on "Sustain" and endured icy 0630 training sessions to focus on the Brigade Championships. 2/4RAR demolished 1RAR and 4 Field Regiment to comprehensively win and Brigade records were broken by PTE Vogel, CPL Harris and LT Little.

Congratulations are extended to the Swim Team composed of:

PTE Chambers, PTE Dellaway, PTE Pullen, PTE Vogel, PTE Wild, LCPL Barrett, LCPL Boyd, LCPL Vinson, CPL Harris and LT Little.
