

SOCCER

After a disappointing result in losing the final in 1993, all the Battalion soccer players and officials were eagerly looking forward to a better result in the 1994 session, especially with the introduction of a second team.

After early victories, the A and B teams seemed favourites for the finals with the A team locked in with 4 Field Regiment in the race for the minor premiership honours.

As the season progressed both teams continued to dominate the games with easy wins, until powers from above (Brigade officials) and other teams firing in protests which resulted in the B team losing all points against 2 Field Supply Battalion after winning the game, this lessened our morale

somewhat, with the B team finishing the competition in 5th spot. Well done, men it was a good result over all.

The A team progressed into the semis, firstly disposing 3 Brigade Administrative Support Battalion then 4 Field to play 1RAR in the final. The final was a hard fought contest with both teams locked 1 all at full time. Extra time saw 1RAR score with minutes to go and although the A team tried valiantly, they couldn't gain the goal required, final result 1RAR 2 - 2/4RAR 1.

I would like to thank all players for their efforts during the 1994 season and hope that all will be around for the start of next season.
