

# VOLLEY BALL

The 2/4RAR Volleyball team commenced the season with two very strong teams. The A Team being coached and led by CPL Kirk and the B team by WO1 Tilker. Keen to take advantage from the very good performances of 1993 and the talent of players like PTE Palmer (D Company), PTE Nolan (C Company), LCPL Keeling (D Company) and CFN Wegner (Tech Support Platoon) the A team went to the major semi-final as undefeated minor premiers.

A disjointed preparation along with discharges,

postings and overseas deployments did not auger well for the finals series. A very tough minor semi-final against 4 Field Regiment (the eventual premiers) and a spirited fightback from 3 Base Administrative Support Battalion in the preliminary final meant the A team finished 4th in 1994.

Well done to all who came along and tried out this year and to any budding Volleyball players who want to have a go at an Olympic sport in preparation for Sydney 2000; see you at Tuesday afternoon and Thursday morning training on the ETVC Club tennis courts.
