

WATER POLO

If water polo was played in the shallow end of the pool it would be the most popular of all summer sports - alas it is not and unfortunately it usually ends up with the same diehards each year, and those who are not as adept at CSM's escape and evasion, representing the Battalion each week.

The early season results proved surprising with the Battalion running equal second behind 5 Aviation Regiment, after some all conquering forfeits and wins against 3 Base Administrative Support Battalion and Combine Minor Units. The years hectic training schedule, recent deployments, and courses have left the team on shaky legs for the up and coming season. (If only the Commanding Officer had the power to pull sporties back from overseas.)

So, in great Battalion water polo tradition, the team will once again meet the demand and call to the pool and via the CSM's office do its very best to win each game, and if not, try all of the dirty tricks that all the other teams have been renowned for attempting.

Thanks go out to all those that have played and drowned. Remember that there is always next year so if you like to splash around the pool for 20 minutes each Thursday we would welcome your efforts. We need all the help we can get.!

Team Diehards

CPL Gentili (DFSW)

CPL Green (Pioneers)

CPL Comerford (Pioneers)

LCPL Marsh (DFSW)

LCPL Boyd (Delta)

PTE Vogel (Recon)

PTE Dellaway (Recon)

Plus to anyone else we have forgotten, THANKS.

Inter Company Water Polo

The Water Polo competition was held on the 13 Sept 93 at Lavarack pool and it turned out to be a great day with a lot of hidden talents and heavy competition.

The first game started at 0800 hours between Support Company and Admin Company and what a game it was to start the day off. Admin Company were leading in the first quarter, however Support Company fought hard to come back and win the first game of the day.

Throughout the day the competition was strong, all the Companys played extremely well and especially Admin Company always being the under dogs played hard.

The end results are as follows;

3 pts for a win - 2pts for a draw - 1 pt for a loss

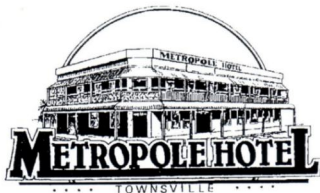

1st PLACE Support Company on 12 points

2nd PLACE C Company on 9 points

3rd PLACE Admin Company on 8 points

4th PLACE B Company on 6 points

5th PLACE D Company on 5 points
