

SUMMER SPORTS

The Battalion Summer Sports competition was conducted immediately after Exercise Swift Eagle 94. Due to the huge number of commitments the Battalion was confronted with throughout the year time was at a premium. Despite this the Summer Sports Reps made optimum use of time to achieve an excellent standard of competition. Thanks for the success of the competition go to the following personnel:

LT Webb Battalion Asst Sporting Offr
CAPT Galligos Volleyball
MAJ Baumgard and CPL Dunning Basketball
LT Mercer and PTE Vogel Waterpolo
LT Tonna Indoor Cricket
CPL Marr Touch Football

The overall results contributed to the Slyder Shield for 1994. The experience and numbers of Support Company proved telling and again saw them emerge as the overall victors. Support finished by winning three out of the five summer sports.

Congratulations to all competitors. With the same commitment to the Brigade competition as was demonstrated during the Battalion competition we can only emerge as the champion 3 Brigade Summer Sporting Unit.
