The 1985 Volleyball season proved to be a very rewarding time for the 2/4 RAR Volleyball side.

Firstly, on the home front, Admin Coy were victorious in winning the Inter Coy competition. After many hard fought battles, the 2/4 RAR side, for the second year running, showed its skill and dominance, beating 1 RAR in the Grand Final; 3-1. Credit must go to the 1 RAR side who put a great fight, but as they say in Russia: "Stiffski Shitskil"

The Bde team was then selected to compete in the inter area competition held at Enoggera in August-September. Many of our team members were selected.

Due to exercise commitments the players from the other units could not be released. The CO in his wisdom, took full advantage of the situation, deciding to unleash 'The Team' on the unsuspecting southerners, with devastating effect. The wrath of 2/4 was once again felt, and leaving no

doubt in anyone's mind that we were the champion team.

Members of this team were: Cpl Murphy, LCpl's Kent and Trevorrow, Pte's Jack, Gill, Skriveris and O.J. From this competition the inter-service side was selected with five of our seven players selected, they were: Cpl Murphy, LCpl Trevorrow, Pte's Gill, Skriveris & O.J.

The Inter-service side was a very strong & skilled team, this was proven by the aggressive play produced by the Army side in demolishing the RAAF in the first set 15-1, winning the game 3-1.

Three members from our team were selected for the combined Queensland side, these members: LCpl Trevorrow, Pte Skriveris and Pte O.J., with Sgt R. Warren from HQ 3 Bde.

Congratulations to 'The Team' for an excellent display of skill and sportmanship in '85.

"Winners are grinners."
