133. SECURITY CLASSIFICATION

1. The Australian security classification "Confidential" has been re-defined as follows:-

Confidential - Information and material the unauthorised disclosure of which would be prejudicial to the interest of the nation.

2. Consequent on the re-definition of the classification, "Confidential" a new term "In Confidence" has been introduced. This term is to be used for those matters which require to be safe-guarded in order to prevent administrative embarrassment or unwarranted injury to an individual. Examples of "In Confidence" markings are:-

"Staff In Confidence" for subject matter concerning staff.

"Medical In Confidence" for subject matter concerning medical records, reports, etc.

"Commercial In Confidence" for subject matter, the disclosure of which would prejudice a private commercial interest, provided the national interest is not involved.

"In Confidence" the general marking used on such subjects which previously were covered by the wording in the old definition of CONFIDENTIAL "administrative embarrassment or unwarranted injury to an individual".

3. "In Confidence" is not a security classification. However, in view of the nature of the information contained in the documents, falling within this category documents bearing this marking are to be protected from perusal by unauthorised persons and are usually to be transmitted in double envelopes.

.../3

RESTRICTED

-3-

4. "Personal" is a privacy marking and is to be used if document is to be seen only by a named individual or person occupying a named appointment. Such documents are to be given the same protection as provided for "In Confidence" documents.

5. The marking "Private" is not to be used on documents concerning official matters.

6. "In Confidence" markings are not normally used in combination with a security classification. The handling marking "In Confidence" is to be typed in capitals or stamped on the top right hand corner of the first page of the document. In signal messages "In Confidence" is to be the first two groups of the message. This handling marking is only to be used on documents or papers graded UNCLASSIFIED or RESTRICTED.

7. The new arrangements are to be introduced immediately in respect of new material and action to re-grade existing material in accordance with the new definitions, is to be undertaken as soon as possible.

NOTICES

- 1. FEDERAL ESTATE DUTY CONCESSION

RESTRICTED

138. HOME SAVINGS GRANT SCHEME

1. The Commonwealth Government is offering married persons aged less than 36 years a grant of \$A2 for every \$A6 saved for the first home they own. The savings must be made over a period, and held in an approved form. The maximum grant to a married couple, or a husband or wife if only one is eligible, is \$500 on savings of \$A1500 or more. Smaller grants are, however, payable on lesser amounts.
2. The grant is a tax-free gift; it is not a loan.
3. The aim of the Scheme is to encourage young people to save, both before and after they are married, for the first home they own after marriage. The grant is a reward for this saving, and will assist young people to own and establish a home.
4. Service in this theatre offers excellent opportunities for saving during the member's tour.
5. Further enquires to be made through Company Orderly Rooms.

(AAF FARELF RO 23/66)

139. FOREIGN AWARDS

1. In view of the increasing interest in the award of Orders, Decorations and Medals to Australian Servicemen from other countries and the increasing requests for permission to wear these foreign awards it should be understood that foreign awards may not be accepted or worn without the Sovereign's permission. Normally no British citizen in the service of the Crown may accept or wear a foreign decoration. Australia conforms to the British practice.
2. Representations have been submitted that the present Regulations concerning the acceptance and wearing of foreign awards should be made more flexible to permit the acceptance of foreign awards under certain circumstances. Should these representations be successful, the amended Regulation will be notified.

(AAF FARELF RO 26/66)

140. OVERNIGHT EXPENSES OF DEPENDANTS ATTENDING SPECIALIST APPOINTMENTS

1. Approval has been given for the reimbursement of reasonable accommodation and meal costs, in cases where a dependant of a member is referred by a service medical officer to a specialist, and the appointment involved an overnight stay away from home. This is subject to evidence of expenditure being produced, and the concurrence of the Treasury Representative, Singapore being obtained.
2. Members concerned will be required to contribute an amount equivalent to half the amount for food, for the member and his wife as shown in the scale of living costs.
3. Where a parent accompanies a child or children referred to a specialist involving an overnight stay, the member's contribution will be as described in paragraph 2 above, plus the additional element for the child or children concerned.
4. AHQ Administrative Instruction 6/64 will be amended in due course.

(AAF FARELF RO 27/66)

RESTRICTED

141. RECORDING OF RELIGIOUS DENOMINATION ON IDENTITY CARD (AAF A129)

This should be recorded on the reverse side of the AAF A129 immediately below the words "Australian Military Forces". In recording the religion, abbreviations are not to be used.

2. It is essential that the entry should not appear on the front of the AAF A129, which must not bear any alterations or additions.

(AAF FARELF RO 28/60)

142. AUST URGENT REPORT

1. Any incident which involves Australian troops or dependants which is likely to receive adverse publicity is to be reported to Headquarters Australian Army Force by signal or telephone. IMMEDIATE precedence is to be used for signals.

NOTICES

FEDERAL ESTATE DUTY CONCESSION

1. 1. There is a special provision in the Estate Duty Law which provides a special deduction of \$A10,000 from the estate where the estate passes to a widow, children, grandchildren, parents, brothers, sisters, nephews, or nieces, where a soldier or member of the Forces dies as a result of disease or injury contracted or received if the death takes place during his term of service or within three years afterwards.
2. This deduction applies, broadly, to any operations overseas that are covered by the Repatriation provisions - it would therefore apply to servicemen in FARMLF and Vietnam.
3. The deduction is additional to the ordinary deduction, which applies to any estate, of the first \$A20,000 of the estate (up to \$A100,000) for, the total deduction from a "normal sized" estate of servicemen coming within the provisions would be \$A30,000.

ANZAC DAY

25th APRIL, 1966

ORDER OF SERVICE

PRAYER

ALL TOGETHER LED BY A.D.J.

O Lord God Almighty, who rulest the Nations of the Earth, we humbly beseech thee to bless and preserve the Nations of the Commonwealth, especially remembering this day, the peoples of Australia and New Zealand. Safeguard the liberties which our fathers and kinsmen won by sacrifice; and give to us all a sober vigilant mind, lest through impiety or neglect we forfeit this freedom so dearly won. Bless we pray Thee our Sovereign Lady Queen Elizabeth, and all who rule and govern the peoples of the Commonwealth of Nations. Grant unto them wisdom to plan and strength to perform such things as shall be to Thine honour, who art the King of Kings. To all who are set in authority over us, grant we pray Thee, insight and faithfulness. May wisdom, honour and truth be the foundation of our life and our whole trust be in Thee, The Lord of all Nations.

Amen.

PRAYER

(Repeated by all)

Our Father, which art in Heaven, hallowed be Thy name; Thy Kingdom come; Thy will be done; in earth as it is in Heaven. Give us this day our daily bread; And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for Thine is the Kingdom, the power and the glory, for ever and ever. *Amen.*

HYMN

1. O God, our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast,
And our eternal home.
2. Beneath the shadow of Thy throne,
Thy saints have dwelt secure,
Sufficient is Thine arm alone,
And our defence is sure.
3. O God, our help in ages past,
Our hope for years to come,
Be thou our guard while troubles last,
And our eternal home.

THE COMMEMORATION

O Almighty God, the God of the spirits of all flesh; we give Thee humble thanks for all these who laid down their lives for our sakes, and who are now at rest; fulfil in them, we beseech Thee, the purpose of Thy love, that the good work which Thou didst begin in them may be perfected unto the day of Christ's appearing. Let the memory of their devotion ever be an example to us, that we, being faithful unto death, may with them at the last receive the crown of life; through Jesus Christ our Lord. *Amen.*

THE ANZAC DEDICATION

CSM B. COY

At this hour upon this day, 51 years ago, Anzac received its baptism of fire and became one of the immortal names in history.

We who are gathered here think of the comrades who went out with us and for us to the battlefields of the Great War, the Second World War, Korea, Malaysia and Vietnam, but did not return. We feel them still near us in spirit. We wish to be worthy of their great sacrifice. Let us therefore once more dedicate ourselves to the service of the ideals for which they died. As the dawn even now has pierced the night, so let their memory inspire us to work for the coming of new light into the dark places of the world.

THE REMEMBRANCE

CSM B. COY

They shall not grow old, as we that are left grow old,
Age shall not weary them, nor the years condemn,
At the going down of the sun and in the morning,
We shall remember them.

(All repeat) We will remember them.

PRAYER

(To be said by all)

Teach us, Good Lord to serve Thee as thou deservest; to give and not to count the cost; to fight and not to heed the wounds; to toil and not to seek for rest; to labour and not to ask for any reward, save that of knowing that we do Thy will, O Lord our God. *Amen.*

BUGLES SOUND LAST POST

ONE MINUTE'S SILENCE

BUGLES SOUND REVEILLE

HYMN

1. ABIDE with me; fast falls the eventide;
The darkness deepens; Lord, with me abide;
When other helpers fail, and comforts flee,
Help of the helpless, ~~O abide with me.~~
O abide with me. P.
2. I need Thy Presence every passing hour;
What but Thy grace can foil the tempter's power?
Who like Thyself my guide and stay can be?
Through cloud and sunshine, Lord, abide with me.
3. Hold Thou Thy cross before my closing eyes;
Shine through the gloom, and point me to the skies;
Heaven's morning breaks, and earth's vain shadows flee;
In life, in death, O Lord, abide with me.

PRAYER

~~Almighty God, who alone givest wisdom and understanding inspire, we pray Thee, all who lead, all who fight and all who serve. Give them a vision of truth and justice, that true victory may be won, and a world may come in which Thy will is done; to the glory of Thy name. Amen.~~
